

IMBIH – growth in figures

CURRENT MEMBERSHIP IN INTERNATIONAL ORGANIZATIONS

OIML (*International Organization of Legal Metrology*)

- Corresponding Member since March 1997

EURAMET (*European Association of National Metrology Institutes*)

- Member since 2009

WELMEC (*European cooperation in legal metrology*)

- Associate member since 2009

IAAO (*International Association Assay Office*)

- Observer since 2010

BIPM / CGPM (*International Bureau of Weights and Measures / General Conference for Measures and Weights*)

- Associate Member since 2011

EMRP (*European Metrology Research Programme*)

- Member since 2013

IMBIH is...

NMI with the steepest evolvement trend in the region:

Legal metrology – 8 bylaws issued 11 years after Law on metrology was put into force;

Scientific metrology – first CMC published, several others in process;

Research – participation in two JRPs through RMG applicants in 2012; in 2013 six new RMG applications; IMBIH as potential partner in EMRP 2013 Call JRPs; National commitment to EMPIR submitted.

Continuous education of staff – done through bilateral cooperation with: Slovenia, The Netherlands, Germany, Austria, Czech Republic, Italy, Serbia, UK, USA and Turkey

Our mission to improve quality of life by giving metrology its proper place in society is visible in both ways...

Our hardware...

Laboratories of IMBIH:

- Laboratory for Mass
- Laboratory for Pressure and Vacuum
- Laboratory for Precious Metals and Reference Materials
- Laboratory for Length
- Laboratory for Density And Viscosity
- Laboratory for Temperature and Humidity
- Laboratory for Heat Meters
- Laboratory for Volume
- Laboratory for Gas Flow and Volume Meters
- Laboratory for Electrical Quantities
- Laboratory for Time And Frequency
- Laboratory for Ionizing Radiation
- Laboratory for hardness of material
- Laboratory for EMC

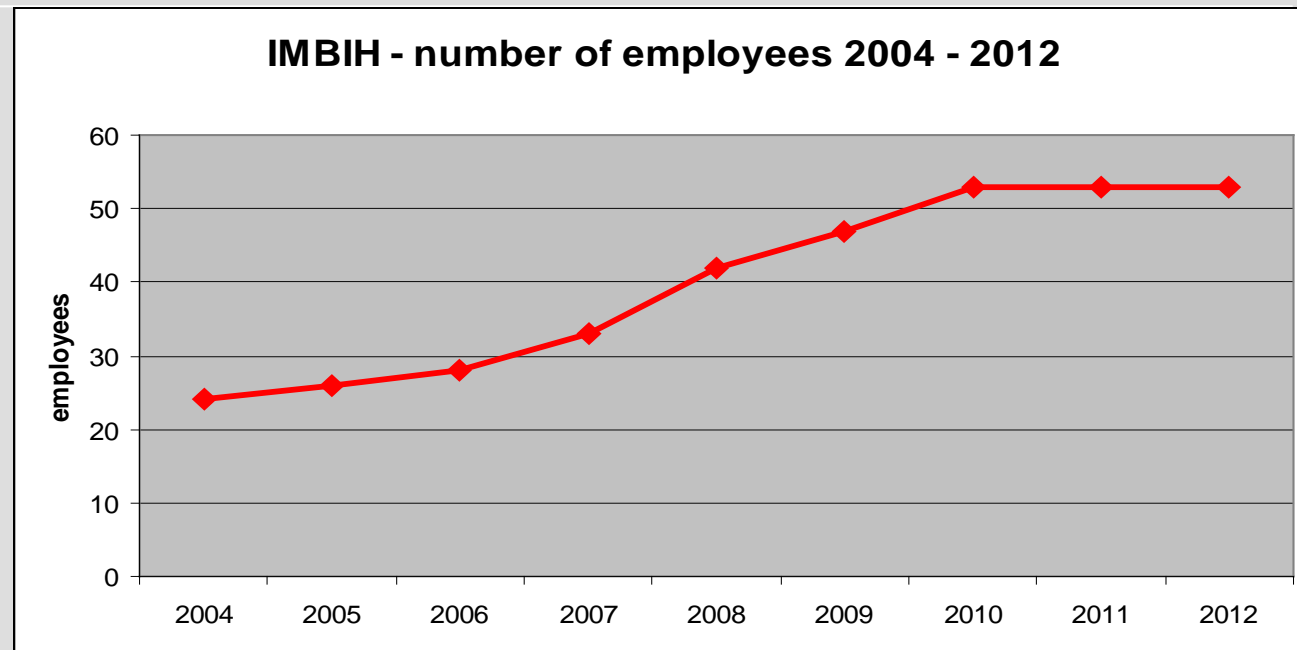

IMBIH - Total annual spent budget 2004 - 2012

LABORATORIJE IMBIH	LABORATORIES OF IMBIH
LABORATORIJA ZA MASU I GUSTOĆU	LABORATORY FOR MASS AND DENSITY
LABORATORIJA ZA DUŽINU	LABORATORY FOR LENGTH
LABORATORIJA ZA PRITISAK I VAKUUM	PRESSURE AND VACUUM LABORATORY
LABORATORIJA ZA GUSTINU I VISKOZNOST	LABORATORY FOR DENSITY AND VISCOSITY
LABORATORIJA ZA TEMPERATURU I VLAŽNOST	TEMPERATURE AND HUMIDITY LABORATORY
LABORATORIJA ZA MJERILA TOPLOTNE ENERGIJE	CALORIMETERS LABORATORY
LABORATORIJA ZA PLEMONITE METALE	LABORATORY FOR PRECIOUS METALS
LABORATORIJA ZA VOLUMEN	VOLUME LABORATORY
LABORATORIJA ZA MJERILA PROTOKA I ZAPREMINA GASA	LABORATORY FOR GAS FLOW AND VOLUME METERS
LABORATORIJA ZA ELEKTRIČNE VELIČINE	LABORATORY FOR ELECTRICAL QUANTITIES
LABORATORIJA ZA VRIJEME I FREKVENCIJU	LABORATORY FOR TIME AND FREQUENCY

...and software.

Number of employees doubled and number of engineering staff increased fivefold in six years time (2004-2010).

Bosnia and Herzegovina, 23rd EMRP member

- Our membership in EMRP is a milestone for IMBiH. It allows us active participation in the latest *state-of-the-art* research projects.
- Aside from fundamental preconditions for development (legal framework, budget planning, facilities, international and bilateral cooperation), further development will be specifically based on gaining expertise through know-how transfer with our partners.
