TCC - Business:

- DIs without CMCs
clarify status and possible issues
find solutions with A-DI
suggest next steps
- JRC and CIPM MRA
- Cooperation with COOMET
- Communication (SI redefinition)
- Update on silent comparisons
- Toolbox - further developments

TCC - Business:

- Strategic planning of comparisons
- Revision of ISO/IEC 17025
- TC-Q Database
- Review of annual reports and information exchange to the TCCs
-

- Thanks to the TC Chairs for their support and active contributions
- Thank you for the EURAMET Secretariat and especially WOLFGANG for their ongoing support and coordination.
- Thank you for all the valuable input and the continuous work on improvements!
