

18th International Flow Measurement Conference

Portugal | Lisbon | LNEC | 26-28 june 2019

SPONSORSHIP
AND TECHNICAL EXHIBITION GUIDE

WELCOME

Dear Partner

Welcome to FLOMEKO 2019 which is being held in Lisbon (Portugal), 26 – 28 June 2019, being the 18th Conference of IMEKO TC9 (Flow measurement), following a long tradition of events organized since the first one that took place in Groningen (the Netherlands) in 1978.

FLOMEKO2019 will be hosted by the Portuguese National Laboratory for Civil Engineering (LNEC). Co-organize with, Portuguese Association of Accredited Laboratories (RELACRE), the Portuguese Institute for Quality(IPQ) and Portuguese Society for Metrology (SPMet), and look forward to offer you a high level scientific and technical event related to flow measurement, as well as an unforgettable experience in Lisboa.

We invite all scientific and technical experts to participate in this event and share your valuable experience and achievements.

Why Lisbon?

FLOMEKO2019 will have easy access from the city airport, an exciting social programme which will allow attendees to meet and to see some of the most interesting venues in and around Lisbon, a historical city full of stories to tell, where the sun shines 290 days a year and the temperature rarely drops below 15°C. A city where you feel safe wandering around day or night. Discover Lisbon, a city full of authenticity where old customs and ancient history intermix with cultural entertainment and hi-tech innovation. Lisbon is ageless, but it loves company, as you'll find out if you meet someone and ask them to explain, with lots of gestures and repetition, where the best place is to listen to Fado. After all, Lisbon is famous for its hospitality and the family-like way it welcomes visitors.

QUEM NUNCA VIU LISBOA, NUNCA VIU COISA BOA*

(Ditado popular)

WHO NEVER SAW LISBON, NEVER SAW SOMETHING GOOD*

(Popular quote)

We hope you will consider our invitation to support FLOMEKO2019 we believe that your support will be rewarding and that you will enjoy your time with us in Lisbon. There are different options for sponsorship and exhibitor packages contained in this flyer, but if you would like something bespoke please contact us at flomeko2019@lnec.pt.

WE LOOK FORWARD TO WELCOMING YOU FLOMEKO2019 IN LISBON, PORTUGAL.

ABOUT FLOMEKO2019

Held only every three years, FLOMEKO Congress is an unmissable chance to share your competence, expertise and innovation products with scientific and technical experts, promoting your organization and creating impact.

This event will bring together many experts in flow and volume measurements from industry, national metrology institutes, calibration and testing laboratories, regulators, service providers and other stakeholders from all over the world.

Participants from Countries worldwide will network in sessions on theoretical principles of flow measurement metrology and applied measurements in industries including energy, aeronautics, chemicals, healthcare and environment. Papers and presentations will share knowledge from internationally recognized experts in their fields, providing innovative solutions and ideas.

ABOUT IMEKO

IMEKO is a non-governmental federation of 42 Member Organizations individually concerned with the advancement of measurement technology. Its fundamental objectives are the promotion of:

- international interchange of scientific and technical information in the field of measurement and instrumentation
- the enhancement of international co-operation among scientists and engineers from research and industry.

Founded in 1958, the Confederation has consultative status with UNESCO and UNIDO and is one of the five Sister Federations within FIACC: Five International Associations Co-ordinating Committee, further consisting of:

- IFAC- International Federation of Automatic Control,
- IFIP - International Federation for Information Processing,
- IFORS - International Federation of Operational Research Societies and
- IMACS - International Association for Mathematics and Computers in Simulation.

The Member Organisations provide the financial means required for the operation of the Secretariat. The Treasurer supervises financial activities. All Officers serve on an honorary (unpaid) basis.

CONGRESS THEME

International flow measurement conference.

IMPORTANT DATES

- January 15, 2019 Deadline for submission of abstracts of communications
- April 12, 2019 Receipt of complete communications
- June 26, 2019 Conference

THEMES

The event will cover a wide variety of topics including but not limited to:

- Liquid, gas & multi-phase flows
- Air speed, volume
- Fluid properties
- Hydrocarbon flows, e.g.: LNG, CNG and so forth
- Primary standards, new calibration and inter-comparison facilities
- Critical Flow Venturi Nozzles
- Legal Metrology in Flow Measurement
- Analysis and assessment of uncertainties
- Development and performance of flow metering technology
- Micro-flow technology
- New applications in healthcare, saving energy and protecting the environment
- Computer-modelling applications

CONFERENCE PROGRAMME

	Planned Activity	Location
Monday - 24 june 2019		
9:00 -16:00	WGFF meeting	IPQ
17:00 - 18:00	Welcome Reception	CML
Tuesday - 25 june 2019		
9:00 -16:00	WGFF meeting	IPQ
18:00 - 19:00	Get Together	
Wednesday - 26 june 2019		
8:00 - 9:00	Registration	
9:00 - 11:00	Opening Ceremony	
11:00 - 11:30	Networking @ coffee	LNEC
11:30 - 13:00	Conference Sessions & Presentations	
13:00 - 14:30	Networking @ lunch	
14:30 - 17:00	Conference Sessions & Presentations	
Thursday - 27 june 2019		
9:00 - 16:00	Conference Sessions & Presentations	LNEC
16:00 - 19:00	"Discover Lisboa with us"	
19:30 - 23:00	Conference Gala Dinner	
Friday - 28 june 2019		
9:00 - 13:00	Conference Sessions & Presentations	
13:00 - 14:30	Networking @ lunch	LNEC
14:30 - 17:00	Conference Sessions & Presentations	

SPONSORSHIP

We are delighted to bring the 18th International Flow Measurement Conference to Lisbon, Portugal. There are a number of outstanding partnership opportunities tailored to a range of budgets in order to maximise your presence.

HOW TO BOOK

Request and browse the Partner Investment Opportunities Brochure from FLOMEKO2019 to flomeko2019@lnec.pt.

Decide on your level of participation and match your budget against your choice of exposure options - exhibition, sponsorship items or a combination of both.

Please read the General Terms and Conditions and complete and submit the sponsors booking form.

If you would like to discuss any of the opportunities available within the brochure, please do not hesitate to contact us on flomeko2019@lnec.pt.

Following receipt of your sponsor booking form, a confirmation offer letter and invoice will be compiled and sent to you. We will do our utmost to include all of your preferences and will of course advise you should we have sold out of your first choice.

Sponsorship opportunities that can also be provided include:

Key branding opportunities

Delegate bag sponsor

Educational supporter

E-Poster stations

Poster sessions

Social Programme support

Welcome Reception

Congress Dinner Supporter

There are a range of stand spaces and sizes to meet your requirements. If you are interested in supporting the Congress and have further ideas around opportunities don't hesitate to contact us on flomeko2019@lnec.pt.

OPTION FOR SPONSORSHIP

Reynolds

(10 000 €)

- 9 sqm shell scheme – type A (including 2 free exhibitor passes)
- Logo on all official congress communications
- Listing as Reynolds partner on the congress website
- 1 x free delegate bag insert
- short presentation in the gala dinner (opcional)
- Roll up at dinner venue
- 2 invitations for the gala dinner and social event
- Expression of thanks at the Opening Ceremony

Bernoulli

(7 500 €)

- 6 sqm shell scheme – type A (including 2 free exhibitor passes)
- 2 full delegates registrations including invitation to social event
- Listing as Bernoulli partner on the congress website
- Logo on all official congress communications (type A)
- Choice to include a gift into the delegate bags
- Expression of thanks at the Opening Ceremony

Venturi

(5 000 €)

- 6 sqm shell scheme – type B (including 1 free exhibitor pass)
- 1 full delegate registrations including invitation to the social event
- Logo on all official congress communications (type B)
- Listing as Venturi partner on the congress website
- 1 x free delegate bag insert
- Expression of thanks at the Opening Ceremony

Manning-Strickler

(2 000 €)

- 6 sqm shell scheme – type C (including 1 free exhibitor pass)
- 1 full delegate registration including invitation to the social event
- Logo on all official congress communications
- Listing as Manning-Strickler partner on the congress website
- 1 x free delegate bag insert
- Expression of thanks at the Opening Ceremony

Stokes

(750 €)

- Logo on all official congress communications
- Listing as Stokes partner on the congress website
- 1 x free delegate bag insert
- Expression of thanks at the Opening Ceremony

WHY SHOULD YOU PARTICIPATE?

More than 250 delegates are expected to participate in the Congress, from all over the world, sharing ideas and innovation during FLOMEKO2019, having in common the interest in flow measurement.

Hosted by LNEC - Laboratório Nacional de Engenharia Civil (National Laboratory for Civil Engineering), a public Research Institute of Science and Technology, that carries out research in all fields of civil engineering, giving it a unique multidisciplinary perspective.

This congress is a chance to promote and share high level technologies and innovative products and measurement systems related with flow measurement to scientific and technical experts, companies and end-users.

TECHNICAL EXHIBITION

Information on stands and Exhibitor's requirements

PLACE

LNEC Congress Centre | Av. do Brasil 101 | 1700-066 LISBOA

STANDS

The Exhibition area is located in Congress Center hall, the main meeting point of the Conference, outside the congress rooms, near the reception desk and next to the coffee break area.

Each stand has an area of 6 m² (3m x 2m).

Cost of the stands includes:

- white walls within grey aluminium profiles;
- pavement covered with grey carpet;
- 30 cm high fascia board with Exhibitor's name (lettering in black);
- 1 power outlet 230 V, 50 Hz (2 pin plug);
- 5 light spots of 100 W each.

APPLICATION AND REGISTRATION

The final allocation of stands is made taking into consideration both the Exhibitor's level (Diamond sponsors will be the first to choose) and, in each category, the date of payment.

A receipt and a confirmation letter are sent to the Exhibitor upon receipt of payment.

SAFETY

General safety services in the Exhibition areas are available during the Conference. Small equipment (portable PC's, etc.) are recommended to be locked in the stand whenever the Exhibitor is absent.

The Exhibitor is responsible for his own licenses and insurance. Furthermore, the Exhibitor is responsible for any damage done by his staff to the building.

CLEANING SERVICES

Cleaning services are provided during the Conference.

SETTING-UP - DISMANTLING

Setting-up: Stands are delivered to Exhibitors on Monday 24th June at 10.00 am.

Dismantling: All Exhibition material must be removed from stands on Friday 28th June, following the afternoon coffee break.

COLLABORATORS

A maximum of two collaborators are accepted per stand. They have access to coffee and lunches but not to conference rooms.

FURTHER INFORMATION

Any further information should be addressed to:
