

NCSL International
EURAMET
General Assembly 2019
Borås, Sweden

Lonnie Spires
NCSLI EURAMET Representative

NCSL International

A Professional Trade Organization

NCSLI is a professional, member based organization, aimed at providing the best opportunities for, learning, understanding, enhancing, exchanging and presenting the applications and advancements of Measurement Science, across a broad range of disciplines to experts and practitioners.

VISION

Be the world's recognized source for measurement science expertise and information

MISSION

To provide the best opportunities for the world's measurement science experts and practitioners

- to network and exchange information;
- to promote measurement education and skill development; and
- to develop means for organizations to resolve measurement challenges

NCSL International

Dana Leaman

NCSL International President
2019-2020

Craig Gulka

NCSL International,
Executive Director

Key Initiatives for 2019-2020

- Continue the Restructuring of the Board of Directors
 - Clarify/define the role and responsibilities of the board members under the new operational model
 - Streamline board operational processes allowing for more effective implementation of board functions
 - Appoint new members in the role of At-large Vice President.
- Development and Implementation of Goals and Key Performance Indicators for the Divisions within NCSLI
