TC-T Issues and concerns

- Very active involvement in EMNs.

... now, we have to boost them by fostering research projects

- **Uptake** of the EURAMET calibration guidelines by the accredited laboratories

... how to push them?

EURAMET Summer School on Thermal Metrology

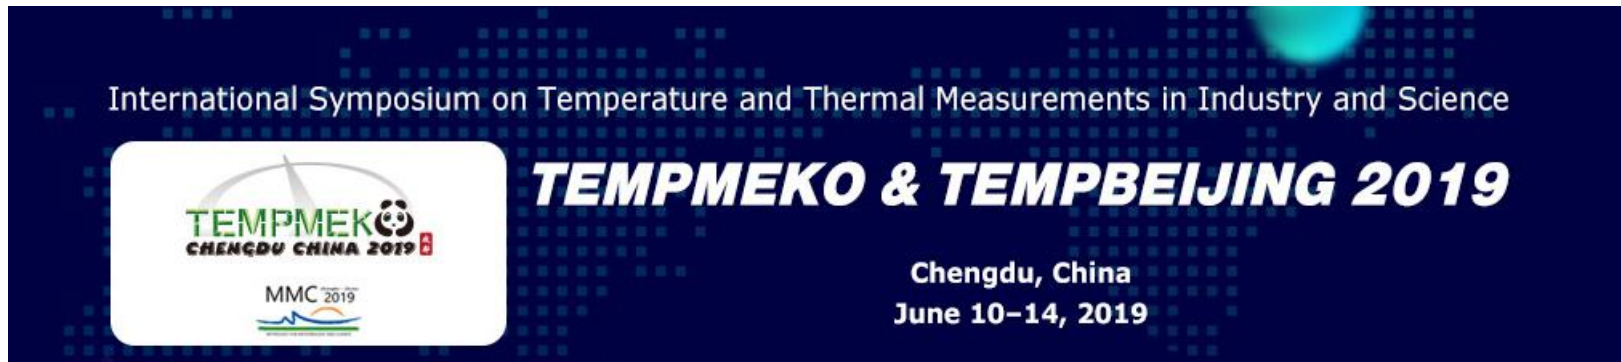

EIM, Thessaloniki, 17-21 September 2018

... the first-ever

... but not the last one!!

- **Major participation** from the EURAMET Thermal Metrology community in the TEMPMEKO Conference to be held in Chengdu in June 2019.

- ➡ **EMPIR projects outputs**
- ➡ **4 invited key notes addresses**
