

Organisation	Details
EURAMET members and associates/non-EURAMET NMIs	
RISE	Sweden
VSL	The Netherlands
BAM	Germany
AIST/NMIJ	Japan
MBM	Montenegro
Joint Research Centre, Reference Materials Unit	Reference Materials Unit
Metrological Bodies/Committees/EMNs	
Welmec	European Cooperation in Legal Metrology
ISO/TC 69/SC 6/WG 7	Statistical methods to support measurement uncertainty evaluation
ENBIS Special Interest Group on Measurement Uncertainty	
CITAC	Cooperation on International Traceability in Analytical Chemistry
Euramet TC for Thermometry	
Euramet TC for Length	
EMN for Smart Electricity Grids	
EMN for Radiation Protection	
EMN for Advanced Manufacturing	
EMN for Traceability in Laboratory Medicine	
Eurolab	European Federation of National Associations of Measurement, Testing and Analytical Laboratories
LNEC	Laboratório Nacional de Engenharia Civil (Portugal)
Companies	
RR	Rolls-Royce Deutschland Ltd & Co KG
Advantest	Advantest Europe GmbH
Pesch Consult	
ZMK & ANALYTIK GmbH	
Testo Industrial Services GmbH	17025 accredited calibration laboratory
Applus+ Emilab	Testing laboratory of Applus+ Group
Accreditation bodies	
UKAS	United Kingdom Accreditation Service
Belac	BELAC – FPS Economy, SME, Self-employed and Energy (Belgium)
DAkkS	German Accreditation Body
INAB	Irish National Accreditation Board
Universities	
University of Rostock, Institute of Physics	
PhD school of the Politecnico of Torino/Metrology PhD	PhD course in Metrology
Burch University, Master program in Metrology and Data Quality	
EPFL Lausanne, Discovery Learning Laboratory for the Physics School	Ecole polytechnique fédéral de Lausanne
Dublin City University, School of Physical Sciences	
Kharkiv National University of Radio Electronics
