## EURAMET accounts on the expenditure incurred in the implementation of the entrusted tasks

The European Partnership on Metrology was established in 2021 by at twenty-three participating countries and the European Union, utilising Article 185 of the European Treaty. EURAMET - the European Association of National Metrology Institutes - is the body responsible for the implementation of the European Partnership on Metrology .

The decision of the European Parliament and of the Council on the participation of the Union in the European Partnership on Metrology jointly undertaken by several Member States (COM(2021)0089 – C9-0083/2021 – 2021/0049(COD)) was adopted in November 2021. The legislation was published in the Official Journal at the end of November 2021 and entered into force on 1 December 2021.

EURAMET received EU funds for the Partnership in 2024 in accordance with the Contribution Agreement. 28.05 Mio € (net of MIM) was received on 29<sup>th</sup> May 2024 to cover the prefinancing payments for call 2023.

EU funds are held by EURAMET and then paid to the Grant Beneficiaries in accordance with the Grant Agreements. Full details are given in Part B. None of the funds are used for implementation activities which are all paid for by the national cash contributions.
