

Practical Information for METAS Guests

The Federal Institute of Metrology METAS is stationed in Bern-Wabern. The best way to travel to Switzerland is by plane (Zurich, Basel or Geneva) or train (direct to Bern).

Flight Information:

- Airport Zurich (ZRH)
- Airport Basel (BSL)
- Airport Geneva (GVA)

Zurich Airport and Geneva Airport both have railway stations with direct train connections to Bern railway station.

From EuroAirport Basel Mulhouse Freiburg, take Bus 50 to Basel SBB railway station (Basel main station). From there, direct trains run regularly to Bern. **Train information: Buy SBB - ticket**

- Round-trip tickets from Zurich Airport to Bern starting from CHF 106.- (travel time: approx. 1h 13min)
- Round-trip tickets from EuroAirport Basel Mulhouse Freiburg to Bern starting from CHF 100.- (travel time: approx. 1h 23min)
- Round-trip tickets from Geneva Airport to Bern starting from CHF 112.- (travel time: approx. 2h)
