

How to achieve CMCs in your county?

NMI, Country:

Question	Please specify below
Which CMC is your priority?	
When do you want to have the CMCs in KCDB?	
Which supporting comparison was already carried out or planned?	
What is missing in your QMS? Action plan (including time schedule) for resolving it.	
Was an on-site visit already carried out or planned?	
When do you plan to have your initial presentation of your QMS to the EURAMET TC-Q?	

Please prepare an action plan with all the required steps and timing
